To completely remove your name and address from the Permanent Early Voting List (PEVL) / Ballot-by-Mail, please fill out the form above and mail the completed form to:

**Gila County Recorder
1400 E. Ash St.
Globe, AZ 85501**

Reasons to remove your name from the Permanent Early Voting List / Ballot-by-Mail:

Complete Removal:

I no longer want my ballot automatically mailed to me for any future elections.

Extended Travelers:

Voters who travel frequently and are likely to have their mail held by the U.S. Postal Service (USPS) during an election cycle. By law, ballots and other official election mail are not forwardable, even if there is a forwarding address on file with USPS. Once a ballot or other election material has been returned to the Recorder's office, Arizona law requires that a 2nd notice be sent to the voter to verify that mail is undeliverable at the address in the voter registration record. This could result in the voter registration record being moved to "Inactive" status. Again, if you travel frequently, the Permanent Early Voting List may not be your best option.

Request Ballot by Mail:

If you decide to remove your name from the Permanent Early Voting List, you may still vote early by mail. Ballots may be requested for any specific election during the early voting request period. The request period starts 90 days prior to an election and ends at 5:00 p.m. on the eleventh day (Friday) prior to Election Day. You can request your Ballot-by-Mail ballot by calling the Recorder's office at **(928) 402-8740**, or through the Recorder's website at **www.gilacountyaz.gov**.

If you have any questions or need further information, please call the Recorder's office at (928) 402 - 8740.
